

We hope this message finds you well. We are excited to share heartwarming news from our recent activities as we continue to make a difference in the lives of those in need and society.

ANTI-DRUG RALLY

The "Anti-Drug Campaign" organized a public awareness rally in Vyttila on the evening of Sunday, the 27th. During this event, we engaged with the local community to spread important information about the adverse consequences of drug and alcohol use.

At the rally, we actively distributed informative leaflets that detailed the harmful after-effects associated with the consumption of drugs and alcohol. These leaflets served as a valuable resource to educate individuals about the physical, mental, and social repercussions of substance abuse.

Our initiative aims to raise awareness within the community, foster informed decision-making, and encourage a drug-free and healthier way of life among society members. Through such events and educational materials, we strive to combat the issue of drug abuse and promote a safer and more responsible lifestyle.

RE.1 SURVIVAL PROJECT

This month, we took another step toward our mission of providing essential support to families facing challenging circumstances. We are delighted to inform you that we have supported one family with much-needed groceries, ensuring they have access to food and sustenance during these trying times. However, our journey doesn't stop here. During our recent activity, we also discovered two other families who are facing hardship. Our dedicated team members have been working diligently to gain a deeper understanding of these families' actual needs and their current situations.

Our approach is not just about offering immediate assistance but also about developing a comprehensive understanding of the challenges these families are facing. By doing so, we can improve our support to provide the most effective help possible, ensuring that we address not only their immediate needs but also work toward long-term solutions that can improve their quality of life.

As we move forward, we are committed to keeping you updated on our progress and the outcomes of our efforts. Your continued support and involvement are invaluable to us, and together, we can make a significant impact on the lives of those in our community who need it most.

We want to express our deepest gratitude to all our volunteers, donors, and supporters who make our work possible. Your generosity and dedication are the driving force behind our mission, and we are honored to have you with us on this journey.

If you have any questions, suggestions, or would like to get involved in our projects, please do not hesitate to reach out to us. Together, we can make a difference.

Thank you for being a part of the Waymakers Community.
