

REACHING OUT

Waymakers Newsletter

June 2023

We hope this newsletter finds you in good health and high spirits. We are delighted to share some exciting updates and accomplishments from our recent initiatives as we continue our journey towards a better and greener world. Here are the highlights from June:

Re.1 Survival Project: Supporting Families with Groceries

Thanks to the unwavering support of our generous donors and dedicated volunteers, we were able to provide essential groceries to two deserving families in need. Through our Re.1 Survival Project, we strive to make a meaningful impact in the lives of those facing challenging circumstances.

Celebrating World Environmental Day at Valakom LP School.

On June 5th, in commemoration of World Environmental Day, our Waymakers team collaborated with Valakom LP School to plant five beautiful saplings on their premises. The program was inaugurated by the esteemed Panchayat member of the area, alongside the Head Mistress of the school. We are committed to fostering environmental consciousness among the younger generation and nurturing a greener future.

Introducing "Shade for the Earth" Project

As part of our ongoing efforts to combat deforestation and mitigate climate change, we are excited to announce our new project, "**Shade for the Earth.**" This initiative aims to plant 365 trees within a year, providing shade, promoting biodiversity, and contributing to a healthier ecosystem. Stay tuned for more updates and opportunities to get involved!

Extending a Helping Hand: Roof Covering Initiative

Recognizing the importance of community support, our team took the initiative to provide assistance where it was needed. We recently put a tarpaulin sheet to cover the roof of one of our fellow team members' house in Thalakod. By coming together and lending a helping hand, we hope to foster a sense of unity and solidarity within our Waymakers family.

We express our heartfelt gratitude to all our donors, volunteers, and supporters who continue to make our projects and initiatives possible. Your commitment to our cause inspires us every day.

Remember, positive change starts with collective action, and each one of us has the power to make a difference. Let us continue working together to create a brighter and greener future for generations to come.

Thank you for being part of the Waymakers community.
