

# REACHING OUT

OCTOBER  
2023

We are thrilled to share the remarkable progress and impact we've achieved over the past month, all thanks to your unwavering support and dedication to our cause. Your contributions are making a real difference in the lives of those who need it most.

## Re.1 Survival Project

We continued our Re.1 Survival Project in October, providing assistance to those in need. This month, we had the privilege of providing essential groceries to four deserving families, including two new households facing challenging circumstances.

**Valakom:** We reached out to a lady and her daughter who have been struggling to make ends meet. After the passing of her husband a few years ago, they found themselves without proper shelter, surrounded by difficult circumstances. The grocery kit we provided proved to be a tremendous blessing, offering them much-needed relief in their time of need.

**Udayamperoor:** In this case, we assisted a middle-aged man who was living alone and dealing with a heart condition. His life had taken a difficult turn due to past choices, but your support helped us make a difference in his life. Your contributions are a lifeline to individuals like him who have nowhere else to turn.

Bringing Hope and Relief

## Shade for the Earth

On October 2nd, in celebration of Gandhi Jayanthi, we took a step toward environmental sustainability by cleaning the surroundings of Vadavucode Anganwadi. We planted 15 vegetable plants and created a small community garden. This initiative not only contributes to a greener environment but also provides fresh, healthy produce for the community.

## Community Garden Blooms

We extend our heartfelt gratitude to each and every one of you who has made these projects possible. Your generosity and support are what make these impactful initiatives come to life.

As we move forward, we remain committed to our mission of improving the lives of those in need. Together, we can continue to make a difference in the world, one act of kindness at a time.

Thank you for being a part of our journey and for helping us bring hope and relief to those who need it most.

With sincere appreciation,  
Team Waymakers
