RE.1 SURVIVAL PROJECT: A YEAR OF SUPPORT AND HOPE

We are delighted to share the heartening progress of our Re.1 Survival Project. For the past year, we have been dedicatedly providing essential groceries to a family in Thalakode, Ernakulam. After the unfortunate loss of their father, the family faced severe financial struggles due to the debts incurred from his medical treatment. With both children now working hard to repay these debts, our grocery support has been a crucial lifeline for their survival. The family expresses profound gratitude for the continuous care and support from the Waymakers community.

GARDEN OF EDEN KIDS CAMP: A DAY OF FUN AND LEARNING

On April 10th, we successfully conducted a one-day Kids Camp, bringing joy and learning to 24 children. The camp was a tremendous blessing and a refreshing experience for all participants. The children enjoyed learning new songs and dances, participating in team activities, and having fun with various games. The Waymakers team performed an engaging skit, raising awareness about the negative effects of drug and alcohol use. The day was made even more special with delicious morning and evening snacks and a sumptuous lunch.

We extend our heartfelt thanks to you for being an essential part of the Waymakers family. Your unwavering support makes all the difference in the lives of those we serve.

Warm regards,
Team Waymakers
