

REACHING OUT

February 2024

With every step we take, we're making a tangible impact on the lives of those in need. Here's a brief update on our recent endeavors

Re.1 Survival Project

In our ongoing commitment to support vulnerable families, we were able to provide essential groceries to a family in Thalakode, Ernakulam. Your contributions continue to make a real difference in the lives of those struggling to make ends meet.

Fighting With Cancer

Despite our best efforts, we also encountered heartbreak. We supported a family financially in their battle against cancer, specifically

aiding in their son's treatment. It's with heavy hearts that we share the news of his passing on the 13th of this month. Our thoughts and condolences are with the family during this difficult time.

Anti-Drug Campaign

Our efforts to combat substance abuse saw us conducting an Anti-Drug Campaign in Vyttila, Ernakulam. Through surveys and educational initiatives, we're working to raise awareness and prevent the spread of drug abuse in our communities.

Despite the challenges, we remain steadfast in our mission to make a positive impact wherever we can. Together, as Team Waymakers, we continue to embody the spirit of compassion and support.

Thank you for your unwavering dedication and generosity. Let's continue to strive for a brighter, more hopeful future for all.

Warm regards,

Team Waymakers
