EXTRAORDINARY ACTS OF COMPASSION ILLUMINATE OUR COMMUNITY!

Dear Supporters and Beloved Community,

In the heart of Ernakulam, amidst the hustle and bustle of daily life, there shines a beacon of hope – the Re.1 Survival Project. It is with immense joy and gratitude that we share with you the latest endeavors of our dedicated team at Waymakers.

Touching Lives, One Grocery Kit at a Time

In a humble gesture of solidarity, we recently extended a helping hand to a family in need at Thalakode, Ernakulam. With the generous support of our donors, we provided a vital grocery kit to lighten their hardship. Your kindness has truly made a tangible difference in their lives.

Standing Strong Against Adversity

Amidst the trials of life, our community faces challenges that test our resolve. One such challenge struck close to home as a beloved member of our community fell ill and was diagnosed with cancer. Struggling under the weight of financial

burden, this family found comfort in the unwavering support of the Re.1 Survival Project. Through your contributions, we were able to extend a lifeline, easing their path towards recovery.

Empowering Minds, Shaping Futures

Taking a proactive stance against substance abuse, our team embarked on an ambitious Anti-Drug Campaign in Puthencruz, Ernakulam. Through engaging skits, mesmerizing dance performances, and powerful songs, we captivated hearts and minds, spreading awareness about the negative effects of drugs and alcohol. Furthermore, our comprehensive public survey shed light on the

prevalence of substance abuse within our community, guiding us towards targeted interventions for a healthier, brighter tomorrow.

To each and every one of you who has contributed to our cause, we extend our deepest appreciation and warm regards. Your generosity fuels our mission and inspires us to continue serving those in need with unwavering dedication.

Together, let us continue to be beacons of hope, spreading love and compassion to all corners of our community.

With heartfelt gratitude,

Team Waymakers
