

Warm Greetings from Team Waymakers!

We hope this message finds you well. First and foremost, we extend our sincerest apologies for not sending out a newsletter over the past six months (June – November). Due to work and personal commitments, we were unable to keep you updated about our ongoing projects. Despite this, our work has continued uninterrupted, and we are deeply grateful for your unwavering dedication and support for the charity work we do together.

Re.1 Survival Project

For the past couple of years, we have been providing essential groceries to a family in Thalakode, Ernakulam. Recently, they shared wonderful news with us: both children in the family have secured jobs and are now capable of supporting their household. They have expressed their heartfelt gratitude to everyone who extended a helping hand during their challenging times.

Our support for this family concluded in August, but we remain committed to helping those in need. We have identified a new family through a trusted friend and are currently assessing their situation to understand their requirements better.

Empowering Minds Through Educational Support

In June, we began supporting the education of a child who lost his father to cancer. He is now being cared for by his grandmother and is studying in the 8th standard. Your contributions have enabled us to give him the resources and encouragement he needs to succeed. Thank you for being a part of this transformative journey.

Anti-Drug Campaign

On October 27th, we organized an impactful anti-drug campaign at Thammanam Junction, Ernakulam. This initiative aimed to raise awareness about the dangers of drug abuse and to inspire the community to take a stand against this pressing issue. We are proud of the collective effort that made this campaign a success.

Upcoming Event – Christmas at Kovilmala

Over the past few months, we have been planning to conduct a Christmas program for the tribal community at Kovilmala, Idukki. Recently, we had the honor of meeting King Raman Raja Mannan, the King of the Mannan community in Idukki, who graciously granted us permission to host the program on December 25th.

As part of the event, we plan to distribute five grocery bags to five needy families within the community. This initiative aims to spread the joy and spirit of Christmas to those who need it most. We are excited about this opportunity to make a difference and look forward to sharing the festive cheer with the Mannan community.

Thank You for Your Support

We extend our heartfelt gratitude to each of you for being an essential part of the Waymakers family. Your unwavering support continues to transform lives and bring hope to those who need it most. Together, we are making a difference!

With Warm Regards,

Team Waymakers
